About Dr. Brett Everhart Background on Assessment & Data Management Systems

Dr. Everhart is currently the Special Assistant to the Provost for Assessment and Accreditation as well as Director of Teacher Education at Lock Haven, monitoring and guiding the campus-wide assessment of student learning for all academic programs at LHU. With multiple assessment publications, he uses his extensive knowledge of data management systems and web-based reporting tools to help guide faculty at LHU and other institutions to make decisions regarding the development of assessment plans and how they can be configured in the data management system of their choice. Additionally, he is able to provide assistance for units and programs with teacher education accreditation needs. Apart from having his assessment research and articles published nationally, his assessment work was has also been highlighted on the website of the National Institute for Learning in Higher Education.
